

Why Absolute Vision Care?

10 State-of-the-Art Frames and Lenses of the Highest Quality: AVC uses only the highest quality materials for your glasses. We are not striving to be the best, we are the best!

9 AVC Prescription Guarantee: AVC doctors take much care in caring for you. If for any reason during the first 30 days, your prescription changes, AVC will remake your lenses one time at no cost to you. We want you to love your new glasses!

8 Experienced, Trained, Certified Opticians and Staff: AVC staff is there to assist you through every step towards perfect vision, eye wear and contact lenses that you love. We can help you find the perfect size, perfect shape, perfect material, and perfect color....all adding up to your perfect pair of glasses!

7 Latest High-Tech Lenses Types, Designs and Lens Treatments Available: AVC uses Essilor lenses....the best lenses in the Optical Industry. Essilor lenses are not available in many offices or optical outlets. With Essilor lenses....you will look your very best and see your very best!

6 Our Doctors: AVC's Optometrists and Ophthalmologists are dedicated to diagnosing, treating, and prescribing all of your ocular needs with the latest and best equipment and testing available today. AVC doctors care about you!

5 Wide Selection of Frame Styles and Designers: AVC dispensaries carry over 1000 frames....for your entire family! AVC has all the newest eyewear and sunglasses from the latest designers to the stylish and trendy "Value" line.

4 No "Bait and Switch": AVC's warranties and guarantees on frames and lenses are automaticno extra cost to you! Your premium lenses can be replaced two times within two years from the date of purchase in the same prescription.

3 We have \$119 glasses: AVC has a large selection of "Value" priced glasses to fit every budget and every pocket book....and lots of trendy styles too! One thing we have learned, *Cheap glasses are no Bargain.* Our 'Value Line' includes a 1 year warranty & polycarbonate lenses.

2 Frame warranties: AVC warranties all of our premium prescription frames for two years against manufacturer's defects, all our other hi-quality frames come with our one year warranty!* Our warranties are automatic...**no extra cost to you!**
*may not apply to sunglasses or some vision plans.

1 Adjustments are Always Free: AVC's opticians will fit, tighten, and adjust your AVC prescription glasses any time!

Dear AVC,

I cannot tell you how happy I am!! I was getting headaches EVERYDAY! After seeing many doctors, a friend recommended AVC. The doctor found a focusing problem and he said my eyes were extremely dry. My dad had me take the cost of the specialty multifocal lenses and frames to a commercial optical chain store. AVC was less expensive for the exact same lens and frame! Thanks for solving my problems and saving me money! Plus no more headaches!

Kristen S.

What are your eyes worth?

Consider what you spend each year for:

\$792 **\$1152** **\$900**

Basic cable
(66/month)

Hi definition cable
(96/month)

Daily cup of
coffee
(\$2.50/day)

\$708

Broadband Internet
(\$59/month)

\$996

Cellular Service
(1300 minutes/month)

How much are you willing
to spend for your vision?
