## Frames

AVC utilizes outstanding frame technology and materials. However if your frame becomes damaged or broken under normal wear (during the warranty period), we will repair or replace your frame\*. A warranty copay applies for frame replacement.

## Lenses

Your purchase includes lenses fabricated to your unique needs at our lens laboratory. Our premium lens treatments provide superior vision and offer better protection than standard coatings. A warranty copay applies for the one time lens replacement\*.

## Prescription

The doctors at AVC have provided your prescription with state-of-the-art testing and much care. If for any reason during your first 60 days, we will remake your lenses one time at no cost to you.

## Contact Lenses

AVC utilizes many types of contact lens materials and designs to address the unique needs of our patients. We guarantee the cost of your contact lens materials for the first 60 days. We work with patients to find the best solution for their visual needs.

*\*One time replacement valid for one year from date of purchase*
